Dear Ms Jeffery,

Norfolk Minerals and Waste Local Plan Review - Call for Mineral Extraction Sites :  
Mundham Quarry : Proposed Extension : Earsham Gravels Limited

On behalf of my Client, I would wish to make a submission into the current 'call for mineral extraction sites', for an extension to Mundham Quarry, Mundham.

In support of the submission, I enclose a number of documents comprising:

- Completed Minerals Site Proposal Form
- Location Plan
- Site Plans (1 and 2)
- Access Plan – including proposed localised highway improvement works
- Mineral Resource details
- Ecological Scoping Report
- Amenity Impact and Mitigation Report
- Heritage Appraisal
- Restoration Plan

I trust this provides sufficient information to determine whether the site is acceptable in principle. However, please do not hesitate to contact me should you require any further details.

Yours sincerely,

Stephen M Daw MRICS
