

## Appendix A: Table of Historic England’s comments on the Proposed Main Modifications and Additional Modifications to the Norfolk Minerals and Waste Local Plan

Mod. No.	Section	Sound/ Unsound	Comments	Suggested Change
<b>Main Modifications</b>				
MM05	Policy MW1 Development Management Criteria	Sound	We welcome the new text at the end of the existing paragraph on the Historic Environment relating to archaeology.	
MM20	Policy WP2 Spatial Strategy for Waste Management Facilities	Sound	We welcome the additional reference to conservation areas and also clarification with regard to significance and setting.	
MM24	Policy WP13 Landfill mining and reclamation	Sound	We welcome the reference to the historic environment and restoration.	
MM49	Policy MP2 Spatial Strategy for Minerals Extraction	Sound	We welcome the additional reference to conservation areas and also clarification with regard to significance and setting.	
MM52	Policy MP5 Core River Valleys	Unsound	In the second bullet point the introduction of the words ‘where appropriate’ changes the meaning of the previous draft policy and waters it down. Therefore, we advise that the words ‘where appropriate should be deleted.	In second bullet point delete ‘where appropriate’.
MM54	Policy MP7 Progressive Working, Restoration and Afteruse	Sound	We welcome the reference to historic landscape characterisation.
